

WGA Global Leaderboard Information

Leaderboard Purpose

The WGA leaderboard uses a points system to rank gymnasts. The ranking on the leaderboard will be used to determine eligibility for future in-person competitions. The higher you are any leaderboard, the more WGA-related opportunities will come your way.

Leaderboard Point System

	In a virtual competition	In an In-Person Competition
1st Place	20 Points	60 Points
2nd Place	15 Points	45 Points
3rd Place	10 Points	30 Points
4th Place	7 Points	21 Points
5th Place	6 Points	18 Points
6th Place	5 Points	15 Points
7th Place	4 Points	12 Points
8th Place	3 Points	9 Points
9th Place	2 Points	6 Points
10th Place	1 Point	3 Points
Perform a new skill	3 Points	9 Points

Overall Leaderboard

The Overall Leaderboard is a combination of all points across each of the six events and all-around.

Nations Leaderboard

The Nations Leaderboard is a combination of all points earned by a specific country. As a bonus, the country that is in 1st place will have free registration for our next competition.

Leaderboard Updates

All leaderboard will be updated after every competition whether it is in-person or virtual. Note that this update will be made sometime within 48 hours after the competitions. Additionally, the date of when the leaderboard was last updated will be listed on the page.

Leaderboard Tiebreaker Rules

All tie-breaks will be determined by who submitted their routines earlier in the most recent virtual competition. If this does not apply, this rule then falls upon the previous competition, or the one before that, etc. Rules regarding tie-breaks for in-person competitions will be released once applicable.
